## French Red Cross

The screenshot displays the intranet interface of the French Red Cross. At the top, there is a navigation bar with categories like 'TOUTE L'INFORMATION', 'APPLICATIONS & SERVICES', 'ESPACES PROJETS', and 'AIDE'. Below this, a 'A LA UNE' section features a large banner with the text 'ALL CITIZENS of the world can SAVE a life' and an image of hands holding a globe. To the right of the banner is a news article titled 'Premiers Secours: Le pack outils du CMRPS pour sur la réanimation'. The article text reads: 'Pour la première fois, le Centre Mondial de Référence des Premiers Secours (CMRPS) s'associe à une initiative internationale "World Re-Start a Heart Day" avec le Comité international de... Publié le 04 oct 2019'. Below the article, there are promotional banners for 'Plus simple, plus intuitif intranet évolue!' and 'NOTRE PROJET INNOVANT VOTRE AVIS COMPTE!'. At the bottom, there is a podcast player for 'GOOD MORNING CROIX-ROUGE LA CHAÎNE DE PODCASTS Journée Mondiale des Premiers Secours (JMPS)'. The bottom part of the screenshot shows a detailed view of the article, including a smaller version of the 'ALL CITIZENS' banner and a text box stating: 'Pour la première fois, le Centre Mondial de Référence des Premiers Secours (CMRPS) s'associe à une initiative internationale "World Re-Start a Heart Day" avec le Comité international de liaison sur la réanimation, et propose aux Sociétés nationales un pack outils ludique sur la réanimation cardio-pulmonaire (RCP)'. Below this, there is a paragraph: 'Tous les citoyens du monde peuvent sauver des vies". Avec ces mots, le Comité International de Liaison en Réanimation (ILCOR) lance pour la première fois en 2018 une journée mondiale sur la thématique de l'arrêt cardiaque. Fort du succès de la Journée Mondiale des Premiers Secours (JMPS) déjà organisée dans une centaine de pays et d'une collaboration effective avec ILCOR pour les recommandations internationales, le CMRPS propose désormais aux Sociétés Nationales un pack d'outils et recommande une collaboration lors de cet événement avec les Conseils nationaux de Réanimation, s'ils existent, ou d'autres par-
